DECLARATORY AND AMENDING HEALTH RULES, 1892.

[L.S.] HUGH NELSON.

THEODORE DAVIE, } WHEREAS by Order in Council dated 11th day of July, A.D. 1892, and by Order in Council dated the 16th day of July, A.D. 1892, His Honour the Lieutenant-Governor was pleased, by virtue of and acting under the "Health Act," to issue certain Rules and Regulations which are styled respectively the "Provincial Health Rules, 1892," and the "Supplementary Provincial Health Regulations, 1892;"

And whereas there may be doubts as to the true construction and intent of the said Rules and Regulations as to the matters hereinafter referred to, and it is expedient to declare the true construction and intent of the said Rules and Regulations as to the said matters;

And whereas expense has been and will be incurred by virtue of the appointment of a Municipal Health Officer for the City of Victoria under the said Regulations, which expense should be met and defrayed by the Corporation of the said City;

And whereas it was and will be necessary to provide proper hospital accommodation for persons found within the City of Victoria afflicted with small-pox, including the services of physicians, nurses, attendants and servants, and including food, bedding, clothing, medicines and other necessities as well as to provide proper places and tents for the reception and isolation of persons exposed to contagion, and generally to employ physicians, officers, men and servants, and to provide food, clothing, bedding, medicines and other necessities to secure the due enforcement and carrying out of the said Rules and Regulations, as well as the provisions of the Consolidated Health By-law, 1886, of the said Corporation relating to contagious and infectious diseases;

And whereas the said Corporation ought to meet and defray all the expenses hereinbefore mentioned;

And whereas the Municipal authorities of the said City are apparently unable or unwilling to make provision for and defray the said expenses, and it is expedient for the Province to make such provision for the time being;

Therefore His Honour the Lieutenant-Governor has, by and with the advice of His Executive Council, been pleased to order and declare, and it is hereby ordered and declared, as follows:—

1. It shall and may be lawful for the Minister of Finance of the Province of British Columbia from time to time to advance in the first instance, out of the Consolidated Revenue of the Province, the sums requisite to meet and defray all salaries, wages, costs or expenses whatsoever incurred, or to be incurred, in connection with the treatment and suppression of small-pox within the said City of Victoria, under the said Rules and Regulations, and under the Consolidated Health By-law, 1886, upon Warrants from time to time duly certified by the Provincial Health Officer, or by the Municipal Health Officer for the said City, appointed under the said Regulations and approved by His Honour the Lieutenant-Governor.

2. The said sums shall be a debt due from the said City of Victoria to Her Majesty, and shall form a charge until fully paid and satisfied upon all the revenues of the said City from whatever source arising.

3. On the third Monday in each month, commencing with the month of August, 1892, or on such other days as shall from time to time be designated by the Lieutenant-Governor in Council, a statement showing the amount so paid out of the consolidated revenue, up to and inclusive of the date of such statement, shall be made up and signed in duplicate by the Provincial Auditor, and shall be countersigned by the Minister of

Finance; one of such statements shall be mailed at Victoria in a prepaid registered letter addressed to the Mayor of the said City.

4. If, within fourteen days from the day of the mailing of such letter, the said City shall not pay into the Provincial Treasury at Victoria the full amount shewn by such statement to have been paid, the other of such statements shall be delivered to the Sheriff for the County of Victoria.

5. The said Sheriff shall then proceed to levy execution against the said City for the said amount, in the same manner as if the statement had been a writ of fieri facias upon a judgment of the Supreme Court obtained against the said City, and in the event of his being unable to make the said amount, he shall have full power and authority, in his own name, to sue for, receive and recover any moneys due to the said City, including taxes on real property and license fees, and payment to the Sheriff thereof shall be a good answer in respect of any such moneys, taxes, or license fees, to any action or process brought or taken for the recovery thereof by or on behalf of the said City against the persons paying the same; and such Sheriff shall be, for the purposes of these Rules, and for the collection of moneys due thereunder, a Receiver of all the revenues of the said City, from whatever source arising, and he shall also have the powers and authority conferred by sections 305 to 310, both inclusive, of the "Municipal Act, 1892;" and the Sheriff shall hold the moneys to be recovered or received by him upon trust, in the first place, to pay or retain the costs of levying, recovering, and collecting the same; next in payment in to the Provincial Treasury of the amount so paid out of the consolidated revenue, and the remainder (if any) shall be paid to the said City.

6. Where there is any ambiguity or uncertainty in any of the said Rules or Regulations as to any offence defined, or purporting to be defined, or as to any penalty or punishment imposed, or purporting to be imposed, it shall be and be deemed to have been lawful for the Court making a conviction to convict and adjudicate under section 39 of the said Rules.

7. No conviction, order, or other proceeding, matter or thing made, done, or transacted in or relating to the execution of the said Rules and Regulations, or of these Rules, shall be vacated, quashed, or set aside for want of form, or be removed or removable by certiorari or other writ or process whatsoever into the Supreme Court, and no appeal shall lie in any case from any conviction to any Court by any process whatsoever unless the consent in writing of the Attorney-General thereto shall have been first had and obtained.

8. Notwithstanding anything to the contrary appearing in the said Rules and Regulations the maximum term of imprisonment for any infraction of, or neglect of, or disobedience to, the said Rules and Regulations that shall be awarded by any Court shall be the term of three months and no more.

9. Notwithstanding anything in the said Rules and Regulations appearing to the contrary, and subject to the next preceding Rule, all penalties, whether by way of fine, imprisonment, or otherwise named therein, shall be deemed to be the maximum penalties in respect of the offences for which they are respectively imposed, and it shall be lawful for the Court making any conviction under the said Rules and Regulations, having regard to the circumstances of the offence, to award any less penalty than the maximum.

10. These Rules may be cited as the "Declaratory and Amending Health Rules, 1892."

By Command.

A. CAMPBELL REDDIE,
Deputy Provincial Secretary.

NEW WESTMINSTER CITY BY-LAWS.

A By-Law to reduce the rate to be levied for payment of interest and sinking fund on certain debentures of the Corporation of the City of New Westminster.

WHEREAS certain by-laws have been passed by the Council of the said city, with the consent of the electors thereof, for the purpose of borrowing certain sums of money for certain purposes therein stated, and debentures have been issued and sold under authority thereof;

And whereas the value of the rateable property within the limits of the said City has greatly increased since the passing of said by-laws, and in order to provide the sum required by the said by-laws to be raised in each year for the payment of interest and the creation of a sinking fund for the redemption of the said debentures, it is not necessary, in consequence of the said increase, to levy the rate mentioned in said by-laws;

And whereas authority is given in sections 114 and 115 of the "Municipal Act, 1892," to reduce the rate to be levied in such case;

Therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. The rate to be levied for the year 1892 for payment of interest and sinking fund shall be four mills and thirteen-twentieths of one mill in the dollar in respect of the debentures issued under authority of the following by-laws:—The "Fire Engine By-Law, 1885;" the "Railway Bonus By-Law, 1889;" the "Street and Park Improvement By-Law, 1889;" the "Queen's Park Loan By-Law, 1889;" the "Moody Square and Albert Crescent By-Law, 1889;" the "Fire Loan By-Law, 1891;" the "Street Improvement Debenture By-Law, 1891;" the "Steam Ferry By-Law, 1891;" the "Electric Light Loan By-Law, 1891;" the "Electric Light Loan By-Law No. 2, 1891;" the "Loan By-Law, 1891."

2. This by-law may be cited as the "Rate Reduction By-Law, 1892."

And whereas the total amount of the debt which this By-law is intended to create is \$111,100, and the total amount to be raised annually, for twenty years, is \$3,359.95, and the value of the whole real property rateable under this By-Law, as ascertained and finally determined as aforesaid, is \$3,031,120;

And the annual special rate per foot frontage for paying interest and creating a yearly sinking fund for the payment of the principal of the debt is as set forth in the schedules hereof;

And whereas the debt hereby created is made on the security of the special rate settled by this By-Law, and on that security only;

Be it therefore enacted by the Mayor and Council, in open meeting assembled, as follows:—

1. That the City Engineer shall make a report on the following:—Stating the real property that will be immediately benefitted by the proposed improvements and the measurement of the frontage abutting on the streets to be improved, and also the proportions in which the assessment is to be made on the various frontages and portions of real estate so benefitted, and also the probable life of the proposed improvements, and an estimate of the probable cost of the proposed improvements and the amount thereof which will be assessed against the property fronting the same.

2. On the adoption of the Council of the report or any amendment thereof it shall be the duty of the City Clerk to cause notices, pursuant to section 202 of the "Vancouver City Incorporation Act, 1886," and sub-sections 8, 9 and 11, of the "Vancouver Incorporation Act, 1886, amendment Act, 1891," to be published and given.

3. In the event of no petition or in the event of no petition sufficiently signed being presented against the said improvements within the time limited in that behalf, it shall be the duty of the City Clerk to forward forthwith a certified copy of the report of the City Engineer, as adopted by the Council, to the Court of Revision.

4. There shall be held, as soon as conveniently may be, a sitting of the Court of Revision for the confirmation of the special assessments.

5. It shall be lawful for the Corporation of the City of Vancouver to raise or cause to be raised by way of loan, from any person or persons, body or bodies corporate, upon the credit of debentures hereinafter mentioned, a sum of money not exceeding in the whole \$111,100, and cause the same to be paid into the hands of the Treasurer of the City for the above recited objects.

6. It shall be lawful for the Mayor of the said City to cause ten hundred and eleven or any lesser number of debentures to be issued for the purpose of raising said sum of money, each such debenture to be for at least one hundred (100) dollars, and the said debentures shall be sealed with the seal of the City and be signed by the Mayor and be countersigned by the Treasurer, and bear interest at the rate of five per cent. per annum from their date, payable half-yearly on the 31st day of December and the 30th day of June, at the office of the City Treasurer in the City of Vancouver, and shall have coupons attached to them for the payment of such interest, and shall be payable at the Bank of British Columbia in the City of Vancouver within twenty years from the date of the same.

7. For the purpose of forming a sinking fund for the repayment of said debentures and interest at the aforesaid rate to become due thereon, a special rate shall be annually levied upon the property to be immediately benefitted by the improvements above recited. Such special rate shall be levied and collected in each and every year at the same date as payment of ordinary taxes are paid until said debentures are paid as aforesaid, in addition to all other rates to be raised, levied and collected upon the property described herein.

8. It shall be lawful for any person owning real property upon which such annual special rate as aforesaid is to be levied, to commute for such annual payment of same by paying a principal sum at the date of this By-Law to the Treasurer of the City, or by paying a principal sum at the end of any year thereafter, the amount to be determined as follows:—

The whole of the sum which such person would have to pay under such special rate from the time his making such application for commutation shall be determined, and the whole amount to be so paid by him, less five per cent. per annum discount, shall be the principal sum required to be paid by such person, and upon payment of such sum the levying of the special rate upon the real property of such person so commuted for shall at once cease and determine.

9. The said Corporation reserve the right to purchase from time to time any or all of said debentures at their par value.

10. It shall be lawful for the said Corporation from time to time to repurchase any or all of the said debentures at such price or prices at or below their par value as shall be mutually agreed upon.

This By-Law shall take effect and come into operation on the 14th day of August, A.D. 1892.

Done and passed in open Council on the 11th day of July, A.D. 1892.
